

2nd ICEST'24

2nd INTERNATIONAL CONFERENCE ON ELECTROCHEMICAL SCIENCE & TECHNOLOGY

“Energy Transition”

May 7th to May 9th, 2024

Sétif – ALGERIA

keynote Speakers

Pr. Ghaffour Noredine

King Abdullah University of
Science and Technology,
(KAUST) – SAUDI ARABIA

Pr. Bouhidel Kamel-eddine

Hadj Lakhdar University of
Batna – ALGERIA

Pr. Tedjar Farouk

Nanyang Technological
University – SINGAPORE

Pr. Cheknane Ali

Amar Telidji University of
Laghout – ALGERIA

Pr. Jean-Michel Nunzi

Queen's University – CANADA

Pr. Zaghieb Karim

Professor of Chemical and
Materials Engineering at
Concordia University – CANADA

Pr. Mokrani Touhami

College of Science, Engineering,
and Technology School of
Engineering – SOUTH AFRICA

Pr. Bahloul Ahmed

Sétif 1 Ferhat Abbas University
– ALGERIA

Pr. M'raoui Abdelhamid

Center for Renewable Energy
Development, CDER – ALGERIA

Pr. Lanez Touhami

Echahid Hamma Lakhdar – El
Oued University – ALGERIA

TOPICS

1. Desalination water, bioelectrochemistry and Environment.
2. Batteries and Energy Storage.
3. Nanomaterials for Electrochemical and Photovoltaic Applications.
4. Hydrogen Production and Storage.
